Problem

Unable to FCOPY Profile II to Hard Disk that has a program such as Time Accounting on the Hard Disk. Time Accounting has a file "M" on it and when FCOPYing Profile II an error message of "FILE ALREADY EXISTS COPY OVER IT (Y/N/Q)" will appear.

* * THE FOLLOWING PATCHES ARE OPTIONAL! * *

Solution

The patches are to change the name of the menu from "M" to another single character. The "x" in the patches is to be replaced with the new single character menu name. For example, patch DIR/EFC A=4817 F="M" C="x" would be applied as DIR/EFC A=4817 F="M" C="Z" to change the menu name to Z.
